The jury came in with its verdict shortly after 5 o'clock, having had the case under consideration for about four hours.

The verdict was a shock to the prisoner's wife, who showed signs of great distress. Counsel for the defense moved the court to set the verdict aside, and the motion will be argued next Wednesday. There was no demonstration in the courtroom when the verdict was announced, the court having warned the crowd that none would be permitted.

As each day passed we convinced one customer after another as to the merit of our merchandise, till we now stand alone in the great field of Real Value Giving.

3 o'clock, the jury having failed to render a verdict, the court took a recess until 4:30 o'clock to give further time for consideration.

Courtroom Crowded.
The courtroom was as much crowded to-day as it was yesterday, all seats

and available standing room being occupied. Interest seemed to increase as the end of the case drew near. Two very interesting and important points were raised in the evidence yesterday.

Dr. Leigh, the coroner, and Dr. J. Bolling Jones as an expert, summoned by the prosecution, testified that in their opinion, judging from the position of Nunnally's body and the pistol lying two feet away, and the course of the wound, the shot which caused Nunnally's death was not fired by him.

Dr. Rennie and Barker, summoned by the defense, testified that Nunnally could have fired the shot. Blanks, in his testimony, had sworn that Nunnally killed himself. Another point of importance was the testimony for the prosecution that they heard two pistol shots in Nunnally's room before Blanks came out and said he had been shot. Blanks declared that after being shot by Nunnally he came out of the room, and while he was telling his landlady about his wound the second shot was heard—the one which killed Nunnally.

Mrs. Blanks and her children sat in the courtroom during all the proceedings to-day, and much sympathy was felt for them. Several witnesses testified yesterday that they had heard Nunnally at different times declare that he had nothing to live for, and that he intended to commit suicide. Nunnally leaves seven orphan children.

Radford, Va., September 27.—The board of trustees of Radford State Normal met to-day in the administration building of the school and elected L. L. Scherer, of Richmond, as chairman to succeed the late Captain W. T. Baldwin.

VOTES TO UNITE WITH METHODISTS

Virginia Conference of United Brethren Church Takes Action.

Roanoke, Va., September 27.—At the afternoon session of the Virginia conference of the United Brethren Church, at 3 o'clock yesterday, it was decided that the United Brethren Church will unite with the Methodist Protestant Church. The vote was 32 to 20. The question of the two churches joining together has been under consideration for several years. At the last general conference of the United Brethren Church, held in Decatur, Ill., last May, it was decided that the State conference be allowed to put the matter to a vote. The real question before the conference here yesterday afternoon, it is said, was the approval and adoption of the revised confession of faith as proposed by a joint commission from the two churches presented to the general conference at Decatur.

Before the ballot was taken, Bishop Weekly made a brief talk, explaining the reasons advanced by the commission why the two churches should unite. He said that the Virginia conference was one of the oldest in the United Brethren Church, and that he knew that many of those present were descendants of persons who were converted under the preachings of the founders of the church.

A board of education was appointed, composed of P. Dyche, N. R. Fries, G. P. Holt, J. H. Ruebush, N. E. A. Cupp, J. W. Kelter, and J. Earl Hoover. The following were elected to a conference board of finance:

A. S. Hammack, superintendent; W. F. Gruver, J. H. Brunk, T. M. Sharpe, J. H. Ruebush, L. A. Armentrout, E. F. Millard.

The conference accepted the report of the finance committee, and directed that \$10,000 be appropriated to the different churches for charities during the approaching year.

"GOOD ROADS DAYS" IN NORTH CAROLINA

Governor Craig Designates November 5 and 6 for Work on Public Highways.

URGES EVERYBODY TO HELP

George S. Nance, Wife-Murderer, Rushed to Raleigh From Rockingham for Safekeeping.

Raleigh, N. C., September 27.—Declaring that the people of North Carolina lose \$12,000,000 annually because of the poor condition of the State's highways, Governor Locke Craig today issued a proclamation designating November 5 and 6 as "good roads days," and calling on all patriotic people throughout the State to work upon the public roads of the State on these days.

The Governor pointed out that the modern highway is essential to the material prosperity and social advancement of every community, and declared the country has awakened to the importance of improved roads.

Characterizing the vast sum lost annually to North Carolina through lack of good roads as "a tribute paid to mud," Governor Craig's proclamation calls upon every able-bodied man "to shoulder his shovel, march out and strike a blow for good roads." The "good roads days" are appointed as "days of festival to celebrate the beginning of a new era wherein improved highways shall be built in every neighborhood."

Summoning the people of every station to answer the call of patriotism, the proclamation calls on the "farmer, the merchant, the lawyer, the doctor, the minister of the gospel, the rich and the poor to enlist as volunteers in this mighty army for grand accomplishment."

The work will be organized and conducted in a systematic manner, so that at the end of the second day every community will have a report on its progress toward road improvement. All road overseers, good roads associations, boards of trade, and all associations and organizations for public welfare and civic improvement are urged to the movement. County commissioners are called on to issue proclamations urging the people to participate in the work.

Declaring that the farmers, more than any other class are dependent upon the country roads, Governor Craig's proclamation says:

"I call upon the president of the Farmers' Union to issue a proclamation to the farmers of North Carolina, that this great body of our citizenship, constituting as it does the bone and sinew of the State, may join with energy and enthusiasm in the movement." The women are summoned to lend their presence.

Mayors of towns and cities of the State are urged to issue proclamations summoning all citizens to aid.

In conclusion, the Governor says: "Let every North Carolinian show by his work that he is for the improvement of the State."
